Gaining intercultural competences in an international community This training seminar will be organized for people from different countries whose special interest is focussed on the international aspects of workcamps and who are also interested in leading a workcamp within an international team. The seminar will deal with: Usual training topics of ijgd (eg. role of a groupleader, technical conditions of a camp, structure and aims of ijgd etc.) **Topics of international aspects:** methods of intercultural learning in a workcamp, groupleading within an international team (challenges and chances), ethnocentrism e.g. do workcamps create or fight against prejudices? Intercultural conflicts: how do they develop and which role does the group leader play in such situations?

Accommodation: „Jugendbegegnungshaus Windrad im Gut Heuchelhof“ is a SO house. You have a lot of free time opportunities around, the grocery shop is just some minutes by walk.
